TAKE pleasure in announcing to my old friends and Icustomers that after an absence of two years, I have again returned to resume the practice of the PHOTOGRAPKIC ART in all ts branches, having purchased the interest of myt rother in the old established Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I trust not only to sustain the proud position the Gallery has heretofore sustained, but to clevate it to a still higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but my work shall not be surpassed North or South, and now introduce to the public the following new
